Learning Outcomes

- I can define the terms 'Safeguarding' and 'Child Protection'
- I recognise the ways in which society's beliefs, values & attitudes, procedures & laws towards children & child abuse have changed over time
- I can list the four main categories of abuse, as well as their signs and indicators, and identify current and emerging risks
- I can identify at least 5 barriers that may prevent the effective safeguarding of children and young people
- I can respond effectively to concerns about the safety and welfare of a child/young person following my organisation and SPB policy and procedures
